**Please note the following:**

- Eventbrite service and processing fees may vary based on the number of tickets purchased. The amounts above reflect the cost for one ticket only.
- Eventbrite service fees and processing fees are non-refundable. If you choose to issue a refund, you will be refunded the full ticket price; however, Eventbrite will keep the service and processing fees.
- Membership discounts cannot be added retroactively. You must add your discount code before you checkout for it to apply to your purchase.
- The final prices shown in this chart are slightly lower than those on the website, as the prices on our site have been rounded up to the nearest whole dollar for easier reading. The final prices displayed here represent the actual cost of purchasing one ticket.
